VIRTUOSO

The image features a decorative blue metalwork ornament at the top, resembling a stylized butterfly or a pair of wings with intricate scrollwork. Below it, the word "VIRTUOSO" is written in a blue, stylized, outlined font. The background is a textured, aged parchment or paper with faint, illegible handwriting and several gears visible in the upper corners.

**THE JAWS OF VICTORY**  
E. The Shark is the dominant species in his domain -just like you. That's why our new Shark Sculpture will look right at home on your desk. Crafted in brass with a bronze patina finish, this powerful water king measures over two feet long, weighing a mighty 8 pounds. And, when perched on his round marble-based stand, he looks ready to intimidate the market in your direction. 25"L x 10"W.
